

Customizable Nursing Assistant Kits

Advantages to Purchasing Your Nursing Assistant Course Supplies in Kits:

- Saves time at your busiest time of the year
- Saves precious storage space
- Relieves pressure on shrinking nursing department budgets
- Teaches students responsibility
- Allows students the opportunity to practice skills outside of class

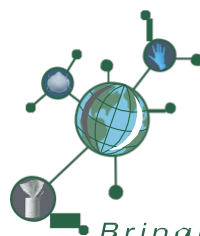

“The kits are a HUGE success. The teachers love them and the students love being able to practice at home. I love not having to order supplies every semester. Thank you.”
– a CNA Coordinator

Kits That Meet Your Needs!

We offer fast and easy Base Kits (with the option of customizing by adding items),

AND a Total Custom Kit option, that lets you build to your specifications!

How To Request Pricing

- 1 Select the Standard Base Kit, Professional Base Kit, or the Total Custom Option. Then, select the additional items which will **customize** your kit, and determine quantities for each item. If you want items not listed here, make a note to ask us – we have many items available!
- 2 Determine the number of kits you need.
- 3 Fill out the accompanying quote form and FAX or email to us (see Jim and Don’s contact information at right). MSWord quote forms are available on www.researchsupplycompany.com/NursingKits.html.
- 4 You will receive a formal quote via email.

Lead Time

Lead time is 4-6 weeks from date of purchase order.

How To Order

FAX or email your purchase order, along with payment information, to Research Supply Company. If your organization is a tax-exempt entity, please send your tax-exempt certificate with your order.

Minimum Order

The minimum order quantity is 20 kits.

Payment

Please contact us to establish credit terms. Net 30 billing with established accounts is available. We also accept Master Card, VISA, Discover and American Express. You will receive a receipt and confirmation of your order and estimated delivery date.

Return Policy

Kits can be returned within 30 days of invoice date, if all kit items are included, unopened, and in resalable condition. Kits which include special order items cannot be returned. A return authorization code from Research Supply Company is required before returning products to RSC. Products must be received within 30 days of issuance of return authorization code.

About Research Supply Company

Research Supply Company is a division of Raleigh Sales Company, LLC, which has met the PPE and janitorial needs of university-based laboratories for more than 10 years. RSC now brings quality products and its high level of customer service to nursing educators, offering a full range of custom nursing kits, including CNA, Nursing Skills, Med-Pack and more. Contact us for information about other available kits. **Go to our website at www.researchsupplycompany.com to find more information about our nursing kits and other products.**

“I just opened up my kits. They are fantastic! Everything is so wonderfully organized. I used to have to set aside class time to help students organize their supplies for the semester. You have made things so much easier and now I have more class time!”
- Suzanne Lehman, BAN, RN,
Dept. of Nursing,
St. Catherine College

“The kits have saved the NA Program hundreds of dollars in supplies ... and the students purchase them from the bookstore, which allows them to use financial aid if needed.”
- Denise Barger, RN, BSN, PHN,
Nursing Asst. Faculty, St. Cloud
Technical & Community
